

## “OPERATION 22 A DAY”

Every day in the United States of America, 22 of our nation’s veterans/soldiers commits suicide. That number is over 128,000. That means that there have been more suicides since the 9/11 attacks, than there have been combined deaths in combat from the Korean War all the way through Operation Iraqi Freedom. This trend has to stop. We, at Charlie 22 Outdoors, are asking you to help us fight this by joining in our “Operation 22 A Day” fundraising campaign. It is simple. Please consider donating \$22.00 a month to fight against the 22 suicides a day. That would total only \$264.00 a year. Your donation will go directly towards the services we provide to our veterans, because we are a 100% volunteer staff. Donating is easy.

1. You can donate with a credit/debit card on our web site, mail in, or a phone call.
2. You can donate with a monthly check for \$22.00, or a one-time amount of \$264.00.
3. You can donate with a cash donation as well.

Besides being put towards our cause, your donation is a tax write for you since we are a 501c3 non-profit organization. In addition to your write off, we will gift to you a t-shirt, hoodie, or camouflage hat that bares our logo. Your choice of the three. We will gladly ship it to you upon completion of you donation.

So please consider being a part of our “Operation 22 A Day” fundraising campaign. Even if you cannot donate the amount mentioned, all donations are appreciated and will be used to bless others. In addition, if a financial donation is not an option for you, please support us through prayer. Thank you for considering this and helping Charlie 22 Outdoors serve those who have already served.
